

Impact

The impact of our curriculum is evident when our children reach the end of the year as happy, confident and resilient learners, ready to move into Year 1 for the next stage of their learning journey.

The children's progress is monitored throughout the reception year through both formative and summative assessment. Our staff build up an accurate knowledge of each child and their learning based on regular observations, discussions and reflections. As a staff we share our observations during planning sessions ensuring that we all understand why and how next steps are being achieved.

During the summer term EYFS staff meet with Y1 teachers to ensure a smooth transition for the children,
