

MSV Charter

We are proud to be a part of the Muxton Safeguarding Voice (MSV) representing over 400 children in our Primary School. We work to embed a strong culture of safeguarding throughout the school.

As MSV members, we promise to:

- Make ourselves recognisable and visible to children throughout school to talk to children who have any worries or problems.
- Promote equality and diversity and ensure everyone understands how the Equality Act promotes protected characteristics.
- Through key stage and class assemblies, ensure that all children and staff in school are clear about how we prevent bullying in our school community, including cyber-bullying.
- Ensure that all pupils understand that children may be subject to different types of abuse - physical, emotional and sexual - and the importance of speaking out to stay safe.
